

WE ARE HIRING

STORE MANAGER

Join our small friendly independent business. We are looking for an enthusiastic and hardworking store manager. In this position you will be responsible for delivering excellent customer service, whilst maintaining high shop-floor and animal welfare standards alongside managing a small team.

The role

- Deliver the highest standards of pet care and ensure that the welfare of pets is a top priority, promoting responsible pet ownership.
- Good communication skills are required as you will be dealing with suppliers, customers and their requests on a daily basis.
- Taking responsibility for absolutely everything in store, such as recruitment, stock control and store standards.
- Managing social media, creating marketing campaigns and managing our customer database.
- Ideally you will have previous management experience from a retail environment where you have taken a hands-on approach.
- You must be commercially aware and have a proactive attitude.
- A keen interest in animals, particularly dogs and a good knowledge of dog related products would be an advantage.
